ADVERTISEMENT FOR BIDS

Notice is hereby given that sealed BIDS will be received by the New Jersey Meadowlands Commission (NJMC), P.O. Box 640, One DeKorte Park Plaza, Lyndhurst, New Jersey 07071 for the following:

MEADOWLANDS ADAPTIVE SIGNAL SYSTEM FOR TRAFFIC REDUCTION PHASE FIVE CONSTRUCTION

BIDS must be submitted in the Bid Form contained in the Contract Documents and must be enclosed in a sealed envelope plainly marked on the outside with the name of project and the name of Bidder. BIDS will be received at the above address until 10:00 AM prevailing time, on **Monday, October 20, 2014**. BIDS will **not** be accepted after 10:00 AM on that day. BIDS will be opened at this date and time in a public forum at the above address.

Contract Documents (specifications and plans) will be available for review at the NJMC offices starting on **Friday, October 3, 2014, after 10:00 AM**. Official signed and sealed copies of the Bid Package may be obtained at the NJMC Offices upon payment of the non-refundable fee for each set of \$150.00. Checks shall be made payable to the "NJMC". BIDS will only be accepted from those who obtain an official Bid Package. Electronic copies of the Bid Package may be obtained at no cost by email request to david.liebgold@njmeadowlands.gov. Any technical questions regarding the Bid package shall be submitted in writing to the undersigned at david.liebgold@njmeadowlands.gov before **11:00 AM, Wednesday, October 10, 2014**; administrative questions may be directed to the undersigned at (201) 777-2414.

The Scope of Work under this Contract consists of providing all plant, labor, equipment, materials, tools, and services necessary to construct, wire, and install all the components necessary for a fully operational adaptive traffic signal control system for twenty one (21) traffic signals located in the Township of North Bergen and the Town of Secaucus in Hudson County, the Boroughs of Little Ferry, Moonachie, Teterboro, and Hasbrouck Heights, the Townships of Lyndhurst and South Hackensack, and the Village of Ridgefield Park in Bergen County New Jersey. The project includes the installation and wiring of vehicle detection units, antenna/transceiver assemblies, fiber optic cables, and associated infrastructure. The Notice-to-Proceed (NTP) letter is expected to be issued on or about **December 1, 2014**, and the Project to commence on or about **December 15, 2014**, weather permitting. Due to the current NJDOT and NJ Transit construction activities that are happening within the Project area, some of the locations may not be available for immediate construction upon NTP. A detailed list of the estimated availability timeline is included in the Contract Documents. Once a location becomes available for work to commence it shall be completed within 120 consecutive weekdays/work days.

The Contract Documents contain specific requirements for submission of a Bid. A Bid deposit, in the amount of five percent of the Bid price must accompany the Bid package. The attention of all Bidders is particularly called to the State and Federal requirements regarding equal employment opportunity, affirmative action, New Jersey business registration, public works contractor registration, and prevailing wages. For more information see the general instructions section of the Bid package. Bidders are required to comply with the requirements of **N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27**. The NJMC reserves the right to reject any or all BIDS and to waive minor Bid defects.
